

105397 - Ruling on putting a zipper on a woman's dress

the question

Is it permissible to put a zip on any part of a woman's wear; on the back, the side, or on the chest?.

Detailed answer

There is nothing wrong with putting a zipper on a woman's dress, and there is no limit to where it may be placed on the dress. It depends on where you think is best for it and what is concealing. End quote.
