

4082 - Should Women Start With Making up Missed Fasts or Shawwal Fasting?

the question

What should a woman do first: fast the six recommended days of Shawwal or fast equivalent to the days she missed in Ramadan due to her monthly period?

Detailed answer

If she wants to earn the reward mentioned in the hadith of the Prophet (peace and blessings of Allah be upon him), “Whoever fasts Ramadan then follows it with [six days of Shawwal](#) , it will be as if he fasted for a lifetime” (Muslim, no. 1984), then she should complete her Ramadan fasts first, then follow it with [six days of Shawwal](#) , so that the hadith will be applicable to her too, and she will gain the reward mentioned in it.

As regards the matter of permissibility, it is permissible for her to [delay making up her Ramadan fasts](#) , provided that she makes them up [before the next Ramadan comes](#) along.

And Allah knows best.
