

8 - Someone is disturbed while praying

the question

If a person has something happen to him (i.e., someone speaks to him or approaches him) while praying what should he do?

Detailed answer

If it is a man, he should pronounce tasbeeh (glorifying Allah by saying “subhan Allah”), and if it’s a woman, she should clap. The evidence is Sahl Bin Saad’s narration that the Messenger (peace and blessings of Allah be upon him) said, “If something bothers you in your salaah, men should make tasbeeh and women should clap.”¹
